### HAUNTED BY A MEMORY...

Gabriel Rodriguez had never forgotten Rachel Martinez. In the darkness of the night, the memory of their love filled his dreams, stirring his soul and making his body hunger for her touch. But in the daylight he remembered the cruel words that had driven her away, and he longed to find a way to earn her forgiveness.

Rachel had spent five years forgetting Gabriel--or trying to. The last thing she wanted was to let him back into her life--or her heart. But Gabriel wasn't the sort of man to take no for an answer, and before long Rachel found herself with no choice but to say yes to the only man she'd ever loved.
