We do not have responsibility with missing file of this book.

Itâ€™s 2002, a year after 9/11. Itâ€™s an extremely turbulent time politically, but especially so for someone like Shirin, a sixteen-year-old Muslim girl whoâ€™s tired of being stereotyped.

Shirin is never surprised by how horrible people can be. Sheâ€™s tired of the rude stares, the degrading commentsâ€”even the physical violenceâ€”she endures as a result of her race, her religion, and the hijab she wears every day. So sheâ€™s built up protective walls and refuses to let anyone close enough to hurt her. Instead, she drowns her frustrations in music and spends her afternoons break-dancing with her brother.

But then she meets Ocean James. Heâ€™s the first person in forever who really seems to want to get to know Shirin. It terrifies herâ€”they seem to come from two irreconcilable worldsâ€”and Shirin has had her guard up for so long that sheâ€™s not sure sheâ€™ll ever be able to let it down.
