We do not have responsibility with missing file of this book.

SING FOR YOUR SUPPER

That was just about what Dani Christopher had to do. She had thrown herself into the limo --- and the lap --- of Clint MacPherson, because as a top talent agent he was her last hope.

Dani had dreamed of making it as a singer, but her manager had taken her money and run. Now she needed Clint's help and Clint's contacts or the dream would be over.

Soon she started to dream far more of Clint than of any career. Did she dare to hope that along with booking her into clubs, he might book her into his arms --- for a lifetime engagement!
